News

An eagle-eyed resident in Stoney Stanton reported an abandoned vehicle. Having checked the DVLA website the vehicle was found to be on false plates. As there was no registered keeper and no Tax we recovered the vehicle.

Over the coming weeks we will see celebrations for Halloween, Diwali and Bonfire Night and unfortunately at this time of the year there are individuals who use this occasion as an excuse to cause trouble for residents. It is essential to remember

the importance of celebrating safely and respecting those who choose to not take part.

Remember....

- You must be 18 or over to purchase fireworks.
- For Halloween only visit properties with displays/pumpkins etc.
- There is a Midnight curfew for fireworks during Bonfire Night.
- There is a 1am curfew for fireworks during Diwali.
- Be kind to your neighbours especially with pets and choose to attend an organised display.
- Allow children to carry torches or glow sticks to allow drivers to see them.
- Finally, have fun, be respectful and stay safe.

In recent weeks we have seen a spike in thefts from motor vehicles and residential burglaries in the area. With the darker nights settling in we would urge all residents to secure their property and to take precautions to protect their valuables and properties. If you see anything suspicious please report to 101 or if there is a crime in progress please call 999.
